Winter Wonderland Ball

Thursday 27th June we held our wonderful Winter Wonderland Ball. It took many months of planning and preparation, and lots of hard work. We made our garage space into a snowy landscape, got dolled up with hair and makeup done, put our gowns and suits on and made cupcakes and mocktails. All the practice paid off when the men asked the ladies to dance and we all danced the afternoon away. A big thank you to everyone who made this wonderful day happen!

Drama Production

Another wonderful drama production! This performance was of Snow White, the Seven Dwarfs and the Pirates. Up on the stage were Roger, Alissa, Pete, Jacob, Paul, Grace and Sarah, who gave an amazing performance. A group of us all went along to cheer on everyone on stage, and dance and sing along! Well done drama team and thank you Kim for all the hard work you put in!

Tauranga Rescue Helicopter

We had an amazing opportunity this month to get to visit Tauranga Hospital and get a private tour of the incredible Rescue Helicopter! Arriving down at the Helipad we were greeted by Rescue Paramedic Tony, who showed us all the ins and out of what goes into rescuing someone and bringing them to safety. Thank you so much Tony!

Sonic Cinema *The Emoji Movie*

Tuesday the 9th of April a group of us ventured down to the Historic Village to Sonic Cinema. We enjoyed a glass of juice and some popcorn to nibble on while we took the morning to relax and watch 'The Emoji Movie' at the Theatre with our friends from Wilrose and Te Puke. A lovely morning out!

Woodwork

Our amazing Woodwork Group put their finishing touches on their hand towel/paper holders! The guys put in lots of time and so much hard work! Hours of measuring, cutting, sanding and painting. Well done boys!

THE BEACH

Enjoying the last warm moments of summer, while we moved into Autumn, we have been getting out to see the ocean. The weather may have been getting colder and colder, but that hasn't stopped us from getting out there and enjoying the best of what Tauranga has! We have been over at Mount Maunganui putting our feet in the sand and dipping our toes in the water.

Rose Gardens

It was a beautiful Autumn day out enjoying the fresh crisp air visiting the Rose Gardens. We looked around at all the different varieties of roses, and then warmed up by going inside the hot house checking out the tropical plants. We had a lovely day out exploring!

Marshalls Animal Park

Friday the 3rd of May we had an awesome day out at Marshalls Animal Park on McLaren Falls Road. We brought some animal food at the front gate and began a walking adventure around the Park. We got to feed the horses, deer, chickens, goats, sheep and even the cutest little baby pigs! What an amazing day!

In Loving Memory

On Wednesday the 3rd of July we lost a very important member of our Arohanui Greerton family, Jordan Henry. We will miss her keeping everyone on their toes, tipping staff off their chairs, threatening to quit, writing cheeky notes and pulling all the pranks. Jordan the Queen of Pranks and the life of Arohanui will be hugely missed. We will all remember her full smile and infectious laughter ❤️
